Hello,

I would like to tell you about an awesome event that is being held in the Northern Catskill Mountains of Upstate NY. It is the Third Annual Lost Treasure Weekend. The date of this event is June 5 - 7.

The idea behind this event is all about getting together with people who share your passion for the adventure of metal detecting as well as finding and bringing home some wonderful treasures.

This all-inclusive weekend boasts 4 set hunts - one Friday evening under the moonlight , one Saturday morning , another one Saturday afternoon and the last one Sunday morning after breakfast. There will be thousands of dollars in treasures and prizes to be found. We will also be doing optional hunts that can be purchased separately for the die-hard enthusiast that can't get enough of the hunt!!

New this year is our "early bird" special. Check in Thursday (anytime after 10am), have breakfast Friday morning and then we will take you around to different areas where you can metal detect for natural finds. Many of these properties are privately owned and have NEVER been metal detected on. We have received exclusive permission to be on these properties. We will also provide you with a boxes lunch. The price of this additional package is only \$ 55/person!! If you can only come Friday morning, the price for the lunch and hunts is \$25/person.

Friday evenings hunt is a "Moonlight Madness Hunt" and is held on a lighted field. You can also have a flashlight if you want. This hunt will be held after dinner and will begin at 9:30. After the hunt you can all get together in the niteclub where we will have a great band playing for your enjoyment.

For those of you who have a "non-metal detecting" partner, don't worry! There is something for everybody to enjoy at The Blackthorne. We have hiking trails, fishing ponds, all outdoor sports, a Tiki pool bar, antique taxi car rides, etc. "Non-hunting" individuals will be charged a lower rate for the weekend. Call for more info.

Please remember to bring your headphones as they are required for all the hunts.

If you do not want to do the "seeded hunts" , we have a packet of maps with historic destinations and locations that will keep you busy all weekend. We have obtained permission to hunt these locations exclusively during Blackthorne's Lost Treasure Weekend only!!

If you have any questions, please do not hesitate to call us at (518) 634-2541 or email me at [royhandelwithemt@yahoo.com](mailto:royhandelwithemt@yahoo.com). If you need more brochures to pass around let us know and we will get them right out to you!!
